

Player Agreement

Purpose:

The purpose for a member's agreement is to specify what members can expect the club to provide, requirements of members to maintain and grow the club and expected behavior of club members. The intention is for all members to work collectively to create a future for the club based on the pursuit of player and team excellence and a harmonious and rewarding club culture.

The club aims to provide:

- Coaching by suitably qualified coaches including appropriate and structured training sessions to allow for the optimal development of players and teams in the areas of fitness, skills and strategy
- A consistent and transparent selection policy based on commitment and performance
- An environment that is conducive to player development and social interaction.

Expected behavior of all members:

Financial

- All players are responsible for ensuring that their fees are paid.

Codes for players and spectators

- Play within the rules and with sportsmanship. Have respect for other players, coaches, officials and surrounds
- This includes never arguing with an umpire: All queries to the umpire should go through the captain or the coach
- All players aspiring to play in "competitive" grades are expected to train on a regular basis and inform coaches when unable to attend training or are unavailable for a game in a timely manner.
- Do their bit to maintain and grow the club (e.g. stay after your own game to support the next Pukekohe United team, support club functions.
- Any issues or disputes should be directed to the club President
- Players are not to turn up for training or games under the influence of alcohol or illicit substances.
- The Club will provide a uniform at the beginning of each season. Players will be responsible for the care and return of the uniform issued to them.

Volunteering

- All players and/or families are expected to contribute towards umpiring or other club volunteering duties such as raffles, school coaching or helping at club functions, over the course of a season.
