

To the UNITED family

See below an opportunity for you to help the club and be involved in your children's favourite sport

If you're interested please email info@puhc.co.nz and we will forward your names

UNITED needs informed coaches to help take our children into the future

Maybe some of you year 11 boys should give this a go, take it from me it's very rewarding.

Pukekohe United will subsidize 50% of the course fee, if you attend the full course.

David Kana

.....
Hello,

I am looking to run Community Coaching Modules for Small Sticks 5-8yr, Small Sticks 9-12yr and Youth 13-18yrs sometime in March or April. These courses will be \$50 dollars which includes the participant folder and a access code to sportsplan through NZ Hockey. Sports Plan is a online coaching resource which has loads of drills on all different parts of the game. Each course covers both theory and practical work and are a 3-4 hr program. CMHA will be applying for funding to help subsidise the cost but we need to know how many participants we will have and it's not a guarantee we will get the funding.

If you could find out from your club members who is interested and send me through a list please, It would be much appreciated.

Regards,

Paul
